EXPERIENCE

Channel your inner racing driver and experience a thrilling indoor karting experience at K1 Speed in Canary Wharf, Central London.

Get behind the wheel of our state-of-the-art electric go-karts, which reach impressive speeds without harmful exhaust emissions. These karts are so quick that dozens of professional racers and champions from every major racing series have competed at K1 Speed.

Race against the clock with friends, family or colleagues to see who can set the fastest lap time. Alternatively, host an event and enjoy exclusive head-to-head racing including a podium presentation for the top three champions.

We are located in the heart of Canary Wharf easily accessible from large swathes of London via the Jubilee Line, DLR, Crossrail and London Riverboat Services.

The venue is located only:
1 minute walk from the Canary Wharf DLR station,
5 minute walk from Canary Wharf Jubilee line station (6 minutes from London Bridge),
5 minute walk from Canary Wharf Crossrail station,
7 minute walk away from the Canary Wharf Riverboat Pier.

Our entrance to P4 is located in Cabot Place shopping centre (the lifts are behind Brera on the ground level or Leon on the lower ground floor). There is ample parking across the Canary Wharf estate, and this is well signposted from the A13.
